3-ply Adult reusable cotton cloth facemask with filter pocket, adjustable ear loop and stopper, adjustable nose clip.

3 layers of superior protection against allergens, particles and pollutants.

Use the filter pocket with 1 disposable filter (included with the mask) for 5 layers of protection and increased coverage.

Adjustable ear straps with stopper to maximize comfort. Flexible wire nose band for best fit and also prevents fogging when mask is worn with glasses.

Modern design for maximum breathability and durability. Its washable and reusable.

Made from 100% cotton. Non-Medical mask.

This mask comes individually poly bagged (included in the price).
